

MANAGUA (North)

CAMPO ALEGRÍA

Getting there...

It is a two-hour ride to Campo Alegría from Managua. After passing km103 on the Pan American Highway, look for a sign to "Potosi Village." Turn LEFT past fields of plantains and bananas to continue traveling toward Campo Alegría. After turning off the highway, the distance is less than 11 kilometers, but takes about 20 minutes because of the dirt or gravel, sometimes muddy, roads. If you get lost or run into trouble, call Julio (our administrator) at 8726-1488.

Local amenities...

On a side road in Potosi, there is a clean store for drinks, ice cream and groceries. Three miles beyond Potosi is the town of Rivas, where there are restaurants and hotels, as well as a large MaxiPali grocery store.
